

As a resident of my local community, Air-1 and K-love radio serve as a source of incredibly uplifting and encouraging music, professing that we as citizens of this world should love one another, teaching compassion and mercy. If an LPFM broadcaster displaced K-Love or Air-1 radio in my community, we would not have the ability to reach this source of family-friendly programming which we have come to greatly enjoy. Both K-Love and Air-1 radio support these wholesome values of love, compassion, forgiveness, and mercy. These radio stations have a positive and encouraging impact on my community and across America, wherever they are heard.
